

YEAR 6

A Parent's Guide to Practising Spellings at Home

Why spelling practice matters

In Key Stage 2, the focus is on developing accuracy as well as a range of strategies for spelling.

Although teachers will highlight spelling errors to children, it is important children recognise for themselves when they have made an error and know a range of strategies for correcting inaccuracies. By this stage, children will have a range of spelling strategies that they will have been taught to draw on. Children will use the strategy which best suits their learning style and works best for them.

Helping at Home

Parents can support children by practising any spelling patterns or spelling investigations which are sent home as part of home learning and also by helping children to read and spell the Y5/6 word lists (included in this document).

Children will practise these spellings throughout the week in spelling lessons and will be tested on a Friday using some of the words from each week or others with similar spelling patterns.

We will track your child's progress in spelling through the statutory word lists and half-termly reviews.

Remember to make practising the words enjoyable and not a chore.

The suggestions below may help.
