A SHARED MOMENT OF CELEBRATION  
Friday 8<sup>th</sup> May 2020

**STAY AT HOME PICNIC**

It has been 75 years since victory was declared in Europe, ending Second World War and even though we are in lockdown it is still a moment to celebrate.

We would like you to celebrate this occasion by making bunting to decorate your house in red, white and blue.

And enjoy a picnic in your garden or inside your house with your family to commemorate the end of the Second World War.

We can't wait to see all your fantastic picnic pictures showing you enjoying this historical day, please send them to your child's class teacher.
