

How to find your child's home learning activities on our school website

Click on the 'Parents' News' tab

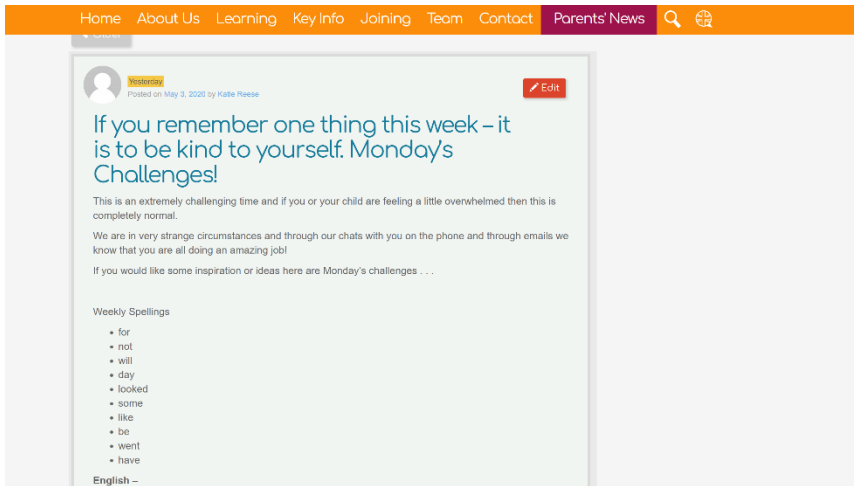

Click on 'Classes'

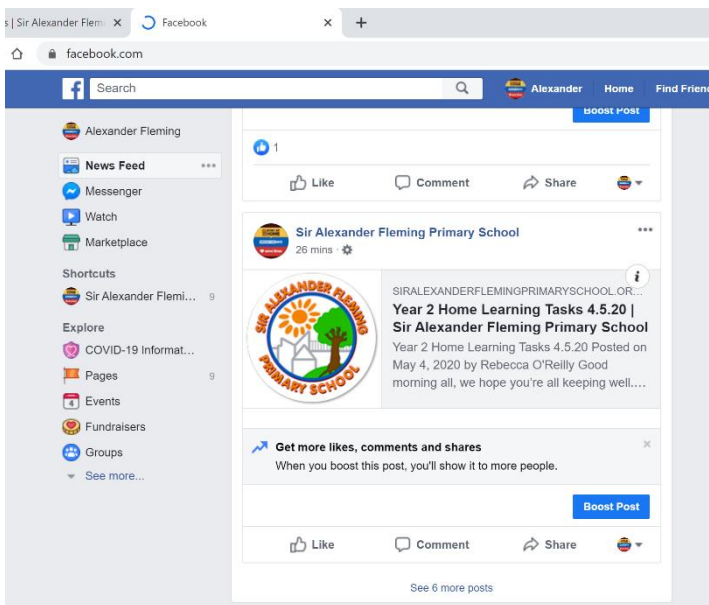

Scroll down the page to find your year group

Click on 'Go to Year1'

Your child's activities will be here.

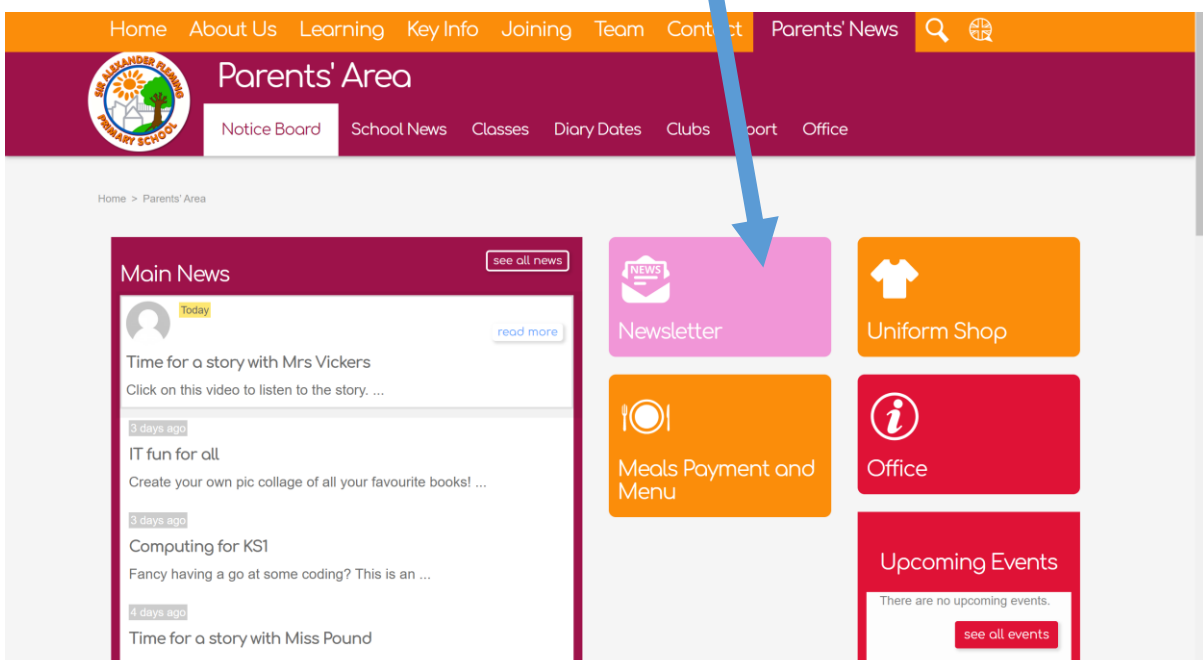

They are also linked to Facebook weekly or daily depending on your Year group.

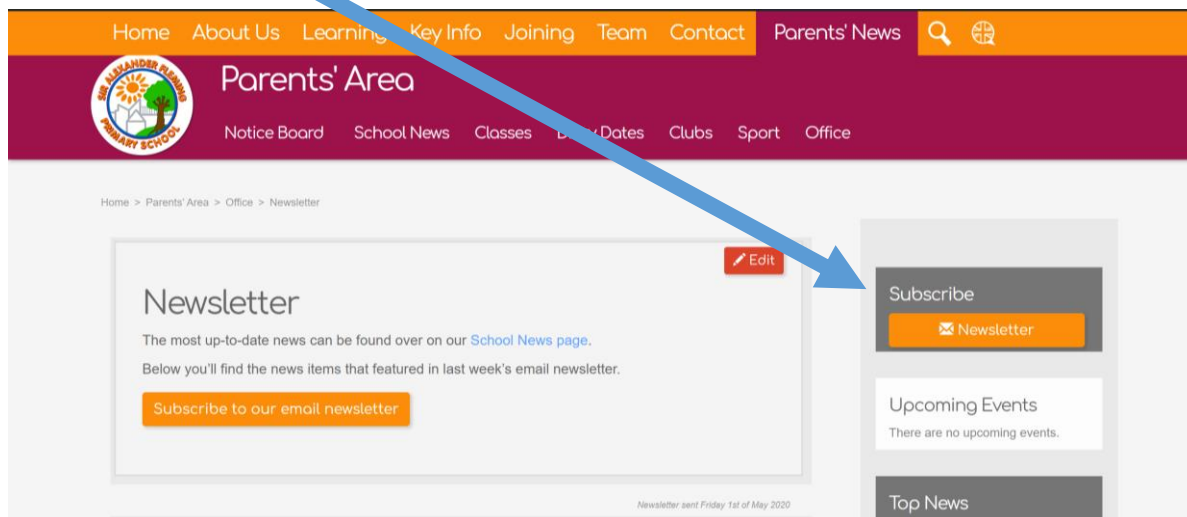

Just click on this and it will take you to the website page with all of your child's home learning on.

If you have any queries regarding your child's home learning, then please contact your class teacher through Seesaw, by email or through the school email A2134@telford.gov.uk

Whilst on the website, please go into 'Newsletter'

Click 'Subscribe'

Complete the information and click 'Subscribe'

You will then receive all up-to-date information about school.

Stay safe
