English	Maths	Reading	Topic
This week is all about Rainforests…. Write a setting description using this picture, ensure that you think about what you can see, hear, smell and touch.	This week's maths will be linked to the BBC resources found on the BBC website. Please follow this link. https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons/1 Each day there will be a maths video uploaded. Watch the video and answer the questions.	This is Dylan… 1. What kind of animal can you see in the photograph? 2. How is the animal similar/different to a human? 3. Who are Dylan's companions, and where have they gone? 4. Why does Dylan like it when it rains? 5. What do you think it's like to live in the rainforest? 6. How is the weather in a rainforest different to where you live? 7. How old do you think Dylan is?	Research animals that live in the rainforest and find your favourite one. Write a fact file about your favourite animal. Include: A title, name, appearance, habitat, diet and interesting facts. Draw a picture of your chosen animal. You can present your fact file in paper format or on a computer.

Write a character description of this woman, look at her fantastic headdress.

Use this website to create a non-chronological report based on the rainforest.
Think about where they are, what the weather is like, animals that live there and why they are important.

https://www.bbc.co.uk/bitesize/guides/zpmnb9q/revision/1

Think about two books you have read by the same author. Tell me what is the same and what is different.

Create a front cover and blurb for your adventure story.

Headdress to Impress

The Kayapo tribe in Brazil is one of the largest. When large groups of people live & work together somebody needs to be in charge? In Kayapo groups the person in charge is the chief. The chief wears a feather headdress to establish his rank.
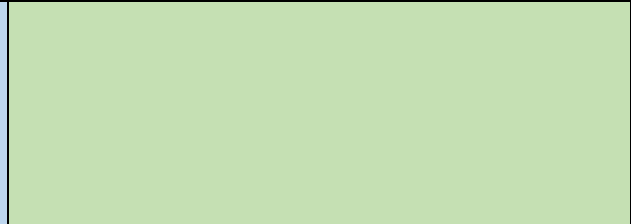

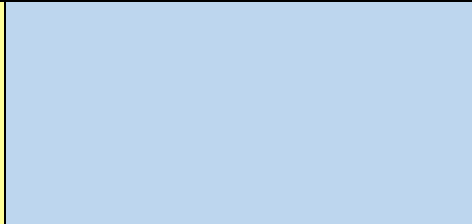

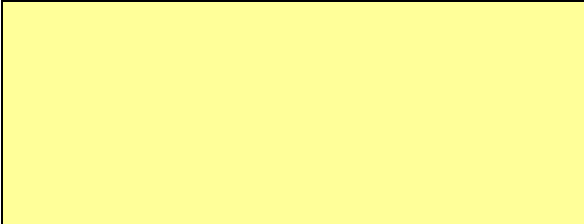

Create your own headdress

Research Henri Rousseau's rainforest paintings.
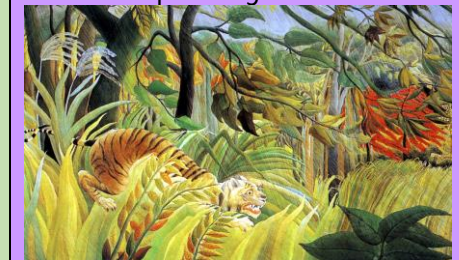

Create own painting in Rousseau's style.

Write an acrostic poem based upon the rainforest. You might want to use the word RAINFOREST. | | Think of a story you have read – create some questions that another person can answer when they have read the book. | Art Animal Masks

Create your own mask and listen to rainforest music. Move to the music like you are the animal in the rainforest. Think about the movements you will make, will you make big strides? Little steps? Will you creep or jump? Will you slither or slide? Put your moves together to create a sequence.

Fact-file | South America

ODDIZZI
Where the world comes to life

South America has just 12 countries in it. The biggest is Brazil, where you'll find the Amazon rainforest, home to a huge number of animals, plants and insects. Most of this continent is hot and wet, but there are deserts here too, as well as ice-fields.

There's also the highest waterfall in the world – Angel Falls in Venezuela – and famous landmarks like the Christ statue and Sugarloaf Mountain in Brazil. Fond of crisps and chocolate? It's South America we have to thank for potatoes, and for cocoa!

South America

Toucan

Angel Falls, Venezuela
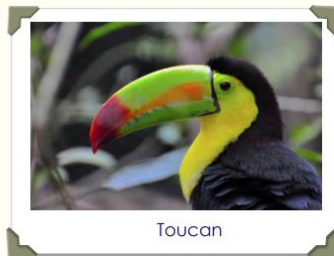

Izzi's Facts

How many countries?
12

Which hemisphere is South America in?
Southern Hemisphere

Where is it?
South America has the Atlantic Ocean to the east, the Southern Ocean to the south and the Pacific Ocean to the west

Continents from smallest to largest:
Oceania, Europe, Antarctica, **South America**, North America, Africa, Asia

Important cities
Rio de Janeiro in Brazil, Buenos Aires in Argentina and Lima in Peru

Izzi's favourite South American animals
Toucan, flamingo and giant Galapagos tortoise

Top physical features
Angel Falls in Venezuela, the River Amazon and the Atacama Desert in Chile

Top human features
Christ the Redeemer statue in Brazil, Machu Picchu (an ancient city in Peru) and coffee plantations in Brazil

---

Read this fact file and then answer these questions...

1. How many countries are found in the continent of South America?

2. Which country is the biggest?

3. What is the weather like in this continent?

4. What's the name of the highest waterfall?

5. Choose one of the important cities found within South America?

6. Find and copy the names of two animals found within South America.
