

# Year 3's

## Summer challenge

Hello to our new **Year 3** children– we are looking forward to welcoming you back to school in September.

**Are you up for a challenge?**

**We knew you were!**

We would like to help you settle back into school life, by having a collection of photographs of special people, places and times surrounding us in our classroom.

With this in mind could you complete these photo challenges– 1 a week. Then send them to your Year 3 teacher (feel free to email weekly or all in one at the end of the holiday).
