

Sir Alexander Fleming Primary School and Nursery

School Council Meeting

Friday 24th September 2021

Meet our new School Council Representatives for 2021-2022

Introductions:

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Zuwanya Daisy	Emily Euan	Emma Indah	Tilly-Jo Poppy	Keira Esme	Stanley Winifred

1. Meeting Dates and Times

As a school council, we discussed how often we should meet. The council decided we should meet once per week and hold the meetings in the staffroom, so they are more official and private.

2. The Mission of the Student Council

This was decided by the student councillors, and it should be to:

- Make the school a better place
- To make changes that improve school life
- To help the environment
- To make school inviting
- To make school fun
- To raise money for charity or things school wants
- To do litter picking and encourage others
- To make school a less wasteful place
- To encourage people to enjoy school.

We have said that this list can and will be amended as we learn more about our role. This can be an agenda item for the next meeting.

3. Badges

The student council would like badges ordered so that staff and children know who to talk to.

4. Items that Mrs Tomlinson would like us to focus on as the School Council:

- Child-friendly anti-bullying policy
- Assembly led by the school council
- Each class / year group to have a charity
