

# Sir Alexander Fleming Primary School

e-cadet meeting – Tuesday 28<sup>th</sup> September

## Meet our e-cadets

Alex – Year 6

Amanda – Year 6

Nathaniel – Year 6

Bentley – Year 5

Michael – Year 5

Ollie – Year 4

Alex – Year 4

Elliott – Year 4

Nicola – Year 3

Preston – Year 3

Welcome back to previous e-cadets and a big welcome to new e-cadets that have joined us

## **1. Meeting dates and times**

Discussed the importance of e-safety, now more than ever. E-cadets have three assignments to fulfil before Christmas so decided would meet weekly on a dinnertime to ensure that they can all be completed and delivered. E-cadets are keen to start taking whole school assemblies at a later date as they are all passionate about their role to help children in school stay safe in the virtual world.

## **2. The mission of the e-cadets**

To ensure that they keep up to date with online safety and educate others to the best of their ability in staying safe online.

Discussed their roles as an e-cadet

- Deliver class and whole school assemblies on areas relating to online safety
- Help improve behaviour in the online world
- Reduce safeguarding issues online
- Monitor and update areas of website linked with online safety
- Review and comment on e-safety page
- Test and review new ICT resources with the computer ambassadors from classes.
- Share skill and knowledge of e-safety
- Give support to peers
- Promote internet safety
- Be a good role model

## **3. Parent Bulletins**

E-cadets discussed the importance of ensuring parents are up to date with the latest guidance. All felt that this would be beneficial and unanimously voted for the 'back to school – online safety tips' to be the first one to be shared for October. The e-cadets decided to start with monthly bulletins for parents.

## **4. Badges**

Children discussed the importance of badges and wearing them around school at all times so that children could identify e-cadets. Mrs Lane will ensure badges are ordered for children without one.

## **5. Notice board**

Discussed the importance of a notice board. E-cadets discussed what information would be important to keep on here. E-cadet photos and information will be displayed here, and children will regularly update with online safety advice for the school.

## **6. E-Cadet challenges**

Children voted on challenge that they thought was the most important to start with. E-cadets will start challenge safe gaming at next week's meeting.

Next e-cadet meeting will be held on Wednesday 6<sup>th</sup> October.
