Slide 2: Here We Are!

Before the assembly, insert a photo of the school council into this page.

You might want to tell people here how you were voted in and how proud you are to be representing them.

Slide 3: Who Represents You?

Before the assembly, type in the names of the councillors.

Go through the names. You may want to ask how many people already know who their school councillor is.

Slide 4: What Do We Do?

Before the assembly, check and add any information needed to the slide. Give some examples of each of the items on the page.

Slide 5: Our Current Projects

Before the assembly, type in the projects on which you are working.

Different people could talk in more detail about what each project means and includes.

Slide 6: How to Get in Touch

Before the assembly, check and change these so they are right for your school.

Go through the ways of getting in touch. If you do have a suggestion box it would be a good idea to have it in assembly to show people what it looks like.

Slide 7: Any Questions?

Before the assembly, add a group photo to the last slide.

Ask if anyone has any questions. If you don't know say you don't know and that you will try and find out and get back to them.

If there are no questions (or when the questions are done), move onto the thank you slide and thank people for listening.

- Give out school council badges
- We have ordered a suggestions box for the school to use

3. Items that we are focusing on as the School Council:

- Child-friendly anti-bullying policy
- Each class / year group to have a charity
