

## #SAF News

Value of the month: Brave

Friday 30th September 2022

### SAF Attendance

Our attendance target is: **95%**

This week's attendance was: **96.31%**

Our schoolopoly winners are: Miss Harris, Miss Jones, Mr Johnson, Mr Pilgrim, Mr Broderick and Mrs Dornan-Steer, Mrs Lane, Miss Lancett, Miss Hullin and Miss Hall!

**317** pupils with **100%** attendance.

**100%** raffle winner: **Poppy Yates**

Dear Parents and Carers

Next week Sir Alexander Fleming Primary School will be taking part in an 'Early Bird' project.

The aim of this project is to focus on attendance and punctuality for our pupils.

Every pupil who arrives on time will be given a sticker for the day and should collect one every day. At the end of the week every pupil who has 100% attendance and has arrived on time, will be entered into a prize draw.

As you know, good attendance and punctuality is essential for your child to make good progress and arriving at school in plenty of time enables them to settle into their day of learning. We use the 'Early Bird' project to help motivate those children and parents/carers who find punctuality and attendance a struggle. Nevertheless, it is equally as important to reward and praise those children that do arrive at school on time and attend regularly and the 'Early Bird' project gives us another opportunity to do this.

To remind you, your children should arrive at school each morning between 8.30- 8.45am. After this time, the doors are closed, and they will be registered as late.

Dear Parent/Carer,

A happy childhood full of new and exciting experiences is such an important part of growing up.

Like you, we want children in our borough to have lots of opportunity to learn new things. We're delighted to be the first council in the UK, working closely with our schools and a range of local organisations, to launch **10 by 10 - ten things for your child to try by their 10th birthday**.

From learning to swim, to stepping back in time at a local museum, 10 by 10 is a fantastic package of inclusive activities across our brilliant borough that will open your child's eyes to the world, build their confidence and let them have fun!

### How it works:

Simply create your own 10 by 10 account by logging onto [10by10.telford.gov.uk](https://10by10.telford.gov.uk) and track your child's adventures. By creating an account, you will also receive regular updates, news and offers from the scheme.

New opportunities are being added all the time, including accessible activities for children with Special Educational Needs and Disabilities.

Children in reception classes across the borough have also been given a 10 by 10 adventure card which can be used to encourage them to get involved.

We hope you will enjoy taking part as a family!

Friday 22nd October	School breaks up for <b>HALF TERM @ 3pm</b>

## HARVEST FESTIVAL

Since 2013, Telford Crisis Support has operated a Foodbank in Telford and Wrekin to provide emergency food, toiletries and clothing to those most in need. To address the growing crisis of **food poverty** they rely on food donations from individuals, organisations and business supporters. They sort, create, and distribute across the borough of Telford & Wrekin, supporting individuals and their families to overcome their crisis. The Telford Crisis Support team work together to ensure that all those identified and referred by partner agencies receive their food parcels as quickly as possible. Their drivers distribute to a network of collection points across Telford and Wrekin to support as many of our community as possible to overcome their crisis.

Telford Crisis Support's Mission:

***'No-one need go without the basic essentials to keep themselves and their families sheltered, fed, clean, clothed, warm, and healthy.'***

Please start bringing items of food and toiletries into school so that we can gather the biggest collection ever!
