Dear all,

I am so excited, it is nearly December, the Christmas tree is going up next week and the World Cup begins on Monday. Whilst we do not support the beliefs of Qatar, we will be supporting our country in the biggest football tournament. We will be allowing children to watch England v Iran on Monday at 1pm if they want to however we fully appreciate that not every child will want to so other activities will be planned. Fingers crossed for a win!!

Our Christmas tree and decorations will make an appearance on Monday and I'm sorry to say the Christmas songs have already started! All classes have been tasked with making sustainable decorations for our tree and these will be judged as part of our ROTAKidz and prizes will be given for the top 3!

Our school was full of colour on Friday and we were very lucky to have had so many donations. We managed to raise a whopping £180 so far with money still coming in. Well done everyone.

There are ten activities children should try before they are ten years old. Each 10 by 10 activity is a chance for your child to discover new talents and experience the world. By working with schools and local organisations we've put together several activities and offers - many for free. Go on the
