'Belonging, Being, Becoming'

Value of the month: **SAFE**

Monday 12th June 2023

Dear families,

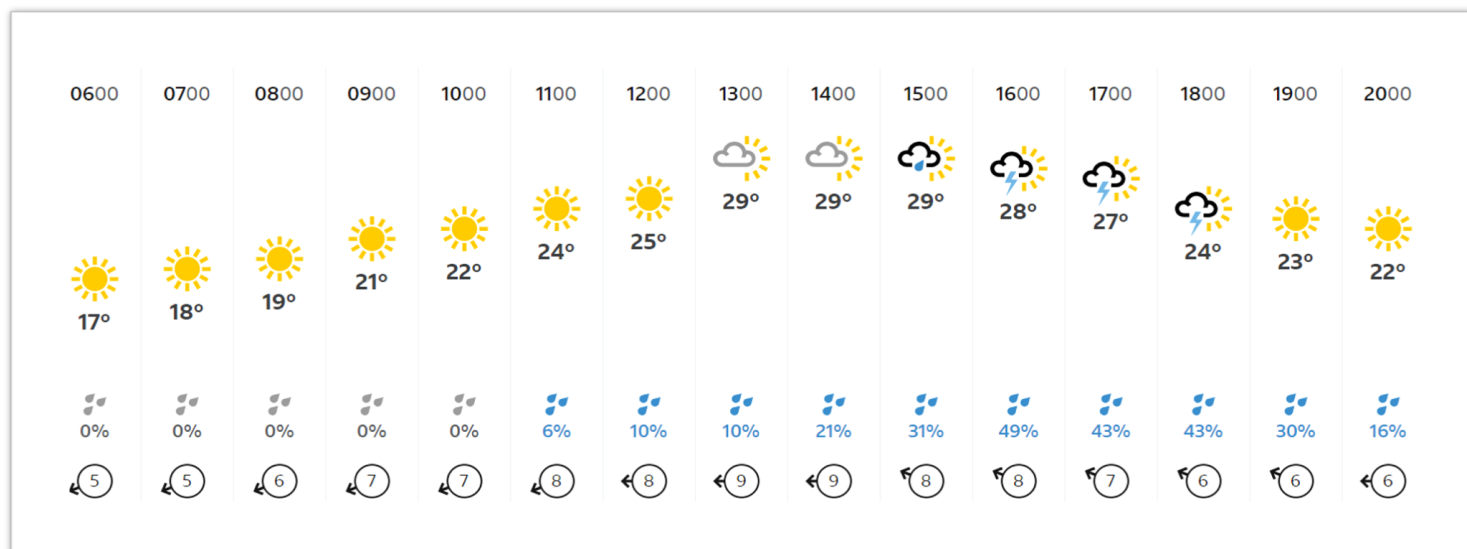

WEATHER UPDATE

This week we have some hot and unusual weather forecasted so in order to ensure we are ALL as comfortable as possible we will:

- Have all the windows and doors open to promote air circulation.
- Ensure children drink water regularly throughout the day
- Encourage our children to stay cool and stay in the shade.

Please ensure that you:

- Send children in wearing shorts and t-shirts - jumpers and hoodies will be removed.
- Apply sunscreen before school and send it in if needed
- Wear a sunhat to school
- Send a water bottle in

SNACK TIME

We positively encourage children to bring a snack in to eat at morning break however we need to ensure that this is a healthy snack. Over the last few weeks we have children eating chocolate, crisps and sweets at breaktime. Please ensure that you send your child with a healthy snack - fruit, salad sticks, rice cakes, toast etc.

Parents are invited to attend our Sports Day this year and there will be a designated spectator area that you are required to stay behind. We expect that as you are on our school grounds attending an event for children you will refrain from using your phone to take photographs of children participating. We enforce this for safeguarding reasons as some children do not have permission for photographs to be taken or published anywhere. We respect this and would like you to do the same.

Our school grounds are also a no smoking / vaping area.

- Please ensure that when collecting your children from school that you are wearing all items of clothing. Whilst we appreciate the weather is warm and you want to stay cool but if you could please pop your tops on that would be wonderful! Thanks
