

# Sir Alexander Fleming Primary School and Nursery

## School Visits and Experiences 2024-2025

The national curriculum is just one element in the education of every child. There is time and space in the school day and in each week, term and year to range beyond the national curriculum specifications. The national curriculum provides an outline of core knowledge around which teachers can develop exciting and stimulating lessons to promote the development of pupils' knowledge, understanding and skills as part of the wider school curriculum.

Every state-funded school must offer a curriculum which is balanced and broadly based\* and which:

- promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society
- prepares pupils at the school for the opportunities, responsibilities and experiences of later life

The school curriculum comprises all learning and other experiences that each school plans for its pupils. The national curriculum forms one part of the school curriculum.

	Autumn	Spring	Summer
Class topic	<b>U is for Unique</b>	<b>C is for Community</b>	<b>A is for alive</b>
