CHAMPION

HAPPINESS AND WELLBEING

At Sir Alexander Fleming Nursery and Primary School, we believe that happiness and wellbeing needs to be at the heart of our education. Happier teachers teach better and happier pupils learn better. It's simple really!

HAPPINESS AND WELLBEING

Our 'Happiness Champion' is here to support us in our mission to ensure that our children and staff are happy and experiencing a positive mental health.

Waggy greetings!

My name is Honey Tomlinson. I live with your Headteacher, Mrs T. I am delighted to have been given the job of 'Head of Happiness' at Sir Alexander Fleming! I started in September 2023 and had very big paws to fill! My sister, Bella was your first school dog and I have taken her place. If I say so myself, I think I'm doing a rather paw-some job!

I am a friendly, kind and gentle dog who loves to be stroked and make people feel calm and happy. I like eating treats and my favourite thing in the world is when you throw a ball for me.

I can't wait to meet you and help you become the very best you, you can be.

Love Honey xxx

RULE ONE

Only two people can be around me at one time otherwise I get nervous.

RULE TWO

Always ask the adult before you touch me.

RULE THREE

Make sure you walk towards me and not run!

RULE FOUR

I like to be stroked gently on my head and back. Let me smell you first!

RULE FIVE

If I have taken something (lego) tell my mum and she will get it off me!

RULE SIX

Eat your dinner and don't leave food on the floor!

RULE SEVEN

I like a calm and peaceful environment so please be quiet near me!

RULE EIGHT

Do not touch or grab my bum! It makes me jump and scares me.

LOOKING AFTER HONEY, TOGETHER...

Honey is our school dog. We need to work together to ensure she can grow and flourish with us.

We need to help her be happy, safe, brave and successful!
